BobbyForFun Summer Camp is a co-ed summer Day Camp for grades K–10. We are located near Palo Alto. Our camp inspires campers to try new activities, build independence, make friends, and take home memories that will last a lifetime.

We believe a high-quality summer camp experience fosters learning, growth, accomplishment, and a sense of belonging. Our supportive environment offers children a safe and enjoyable space to build independence and form lasting friendships. Whether it's their first time away from home or they're singing campfire songs and performing skits, camp can make a meaningful and lasting impact on a child's development.

### **Traditional Camp Activities**

We offer a wide range of classic camp activities such as archery, arts & crafts, swimming, outdoor survival skills, music, mountain biking, and more. Our “free choice” format allows campers to design their own schedule by selecting the activities they’re most excited to try.

To keep things fresh, every Wednesday afternoon we introduce special activities like rock wall climbing, a giant slip n’ slide, spa sessions, or launching water rockets—giving campers new experiences to enjoy each week.

### **Meals / Food Service**

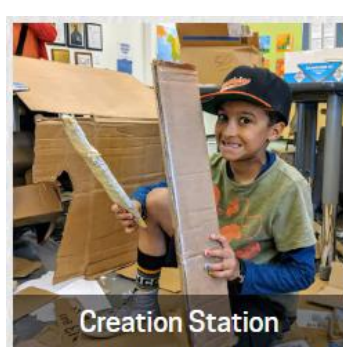

Each day includes a nutritious lunch and a healthy snack. Meals feature hot options such as ravioli with cream sauce, chicken ciabatta, roast beef, lasagna, and fajitas, accompanied by a salad bar, sandwich station, pasta bar, and baked potato bar.

## Typical Day at Day Camp

*(Please note that times and activities may vary slightly.)*

Day Camp runs Monday through Friday, from 8:50 AM to 4:15 PM. Each day, campers participate in six one-hour activity sessions—two are group activities with their assigned camper group, and four are “free choice” activities that they select themselves. We offer different activities daily for campers to explore and enjoy!
