

BobbyForFun

At BobbyForFun, we specialize in creating tailored enrichment programs designed to align with your child's unique needs and schedule. Our diverse range of activities allows you to select and combine options that best fit your child's interests and developmental goals, crafting a personalized enrichment package.

From engaging educational workshops to exciting creative projects, our programs are crafted to ignite curiosity, enhance skills, and foster a lifelong love of learning. Each activity is thoughtfully designed to be both enjoyable and enriching, ensuring your child has a vibrant and fulfilling experience.

With BobbyForFun, you can build a customized package that keeps your child excited and motivated. Our dedicated team of professionals is committed to providing a supportive and stimulating environment where your child can explore new passions and reach their full potential. Let us help your child discover a world of fun and learning through our dynamic enrichment programs.

Soccer

If you're looking for an exciting and enriching after-school activity for your child, look no further than the Soccer program with us! Our program is designed to provide a fun and engaging soccer experience led by passionate coaches who are dedicated to nurturing your child's love for the game.

In our program, your child will:

Develop Soccer Skills: Our coaching emphasizes developmentally appropriate techniques that cater to each child's skill level, ensuring a supportive learning environment.

Foster Creativity: We focus on creative play and innovative techniques, encouraging kids to think outside the box and express themselves on the field.

Enhance Motor Skills: Through a variety of fun-filled games and challenges, children will improve their coordination, balance, and overall physical fitness.

After school, our coaches will supervise and assist players with their soccer gear, ensuring a smooth transition to practice time. If any classes are missed due to weather conditions, such as rain or excessive heat, or poor air quality, they will be rescheduled at the end of the season. Additionally, if a session is canceled for any reason, a coach will stay on-site to supervise any children who cannot be picked up immediately.

Join with us for an unforgettable experience that combines skill development, creativity, and fun in a supportive environment!

Art

We are deeply committed to pioneering innovative curriculum design in visual arts education. Our courses seamlessly blend imaginative thinking with professional techniques, guided by dedicated and passionate instructors.

Fine Art for Kids

- **Ages:** 4-12
- **Class Duration:** 1 hour per session
- **Overview:** Our Fine Art classes for children nurture creativity and self-expression through engaging, age-appropriate activities. Each session is designed to inspire young artists while developing their fundamental skills in a fun and supportive environment.

Fine Art for Teens

- **Ages:** 11-18
- **Class Duration:** 2 hours per session, offered 1 to 3 times per week
- **Overview:** Tailored for teens, these classes offer a deeper exploration of artistic techniques and concepts. Students are encouraged to refine their skills, experiment with new mediums, and develop their unique artistic voice. Our structured approach supports both personal growth and technical proficiency.

Join us to experience a curriculum that not only fosters artistic talent but also instills a lifelong appreciation for the visual arts.

All classes location: 908 Harmon Dr, Menlo Park, CA 94025, USA

Gymnastics

We present a vibrant gymnastics program at the Arrillaga Family Gymnastics Center, offering a diverse range of classes designed to inspire and engage young gymnasts of all ages.

Our Kindergym and KinderStars classes invite caregivers and children to participate together, fostering bonding and early development through interactive activities. For children ages 3-6, we offer NewStars, MiniStars, and SuperStars classes, each designed to nurture independent participation and skill-building in a supportive environment.

For those aged 6 and up, our program features a structured progression with Level A, Level B, and Level C classes, allowing for skill advancement and mastery at each stage.

In addition to our core gymnastics offerings, we provide an exciting array of specialty programs, including:

Silks, Trapeze, and Aerial Arts: Explore the thrill of aerial gymnastics with our captivating classes.

Stretch and Strength Program: Focus on flexibility and physical conditioning to enhance overall performance.

Exploration Through Movement: A unique class that encourages creativity and self-expression through diverse movement techniques.

Join us at the Arrillaga Family Gymnastics Center to experience a dynamic and enriching gymnastics journey that caters to every skill level and interest.

Basketball

BobbyForFun is thrilled to offer its dynamic basketball program at the Fairmeadow Elementary School, featuring a variety of classes designed to develop skills, foster teamwork, and encourage a love for the game among young players.

Our program includes:

Tiny Hoopers: For children ages 3-5, these introductory classes focus on basic basketball skills and coordination through playful, engaging activities. Parents or caregivers are encouraged to participate, making it a fun bonding experience.

Junior Ballers: For ages 6-8, these classes emphasize fundamental skills such as dribbling, shooting, and passing, all while promoting teamwork and sportsmanship in a supportive environment.

Youth League: For children ages 9-12, this program offers more advanced skill development and game strategy, preparing players for competitive play and enhancing their understanding of basketball fundamentals.

Teen Hoops: For ages 13-18, these classes focus on refining skills, game tactics, and physical conditioning. Players will benefit from advanced coaching and opportunities

to participate in league play.

Join us at the Menlo Park Sports Center for a comprehensive basketball experience that caters to all skill levels and fosters both individual growth and team spirit.

Swim

At BobbyForFun, we' re dedicated to making every splash a safe and enjoyable experience while helping our community become more confident and skilled swimmers. Whether you' re a young child taking your first dip or an adult looking to refine your strokes, we offer swim lessons tailored to all ages and skill levels.

We believe that it's never too early or too late to learn to swim. That' s why our program includes lessons for infants as young as 6 months old and extends to adults of all ages. Our experienced instructors undergo extensive training to gain proficiency with every age group and skill level, ensuring they can provide the best instruction possible. Each instructor brings a unique background in swimming, offering diverse perspectives and techniques, so you can find the perfect fit for your individual needs.

Join us at Cubberley Community Center to experience a swim program that prioritizes safety, fosters confidence, and helps swimmers of all ages develop their skills in a supportive and engaging environment.
